The Bar Hill News is produced every month, except January. The editor constructs a 'master' copy using a combination of PC computer, typing and traditional 'cut and paste'. There are 14 'adverts' pages and 16 'text' pages. 1900 copies are then printed on a Gestetner printer, collated and distributed around the Village by volunteers. Spare copies are given to the Village Library as a reference for people from outside the Village.

The PC has a 3.5"/1.44MB floppy disk and can handle most well known data formats. The computer has an A4 scanner for scanning artwork.

The programs the editor uses most are MicroSoft Word 6.0 (for text), CorelDraw 4.0 (for artwork) & QuarkXpress 3.12 (for the final page makeup).

Bar Hill Parish Council The Old Farmhouse

780456

Clerk available - weekday mornings
(answerphone in operation at all other times)

The monthly meeting of the Parish Council was held on Thursday, 21 March, at 7.30 pm in the Old Farmhouse.

A14 - Directional signs for the M11 had been sited on the Dry Drayton/Oakington flyover and speed cameras were being installed at other locations. These are some of the safety improvements being considered by the Highways Agency for the A14.

Weight Restriction on Village - This is again being pursued by the Parish Council to ascertain why the County Council would not even bring the matter before their committee for consideration.

Prosecutions in Village - Help from residents in the Village has resulted in some prosecutions being brought by the police. PC Morris urges residents to report incidents to the police as they occur. These incidents can then be logged by the police.

Skateboard/BMX ramp - Nothing further had been heard from the youths on this.

Parking in the Village - Both the Parish Council and the police have received several complaints regarding neighbour disputes over parking. The Parish Council has no jurisdiction in these matters.

Parking on Parish Council land in Otter Close - As cars parking on previously grassed areas on Otter Close were making the areas unsightly, the Clerk would arrange a site meeting for Councillors to view the areas concerned.

Street Trading consent - The Street Trading Consent for Messrs. Hussain and Truong at the Mall was renewed for another year.

Donation - Cambridge Victim Support - A donation of £100 was agreed by Councillors.

Area to rear of Farmhouse - It was agreed that quotations to convert this area for youth provision would again be sought.

Tesco re-development proposals - Tesco had approached the Parish Council with proposals for the re-development of their site in the Village. An exhibition will be held in the Village Hall for Bar Hill residents, probably in late April. There will also be a stand in Tesco's entrance once plans with elevations are available. Tesco's have also advised that they will be producing a newsletter to be sent to all Village residents.

Annual Parish Meeting - This meeting will be held on Thursday 25th April at 8.00 pm in the Church Centre (Octagon).

Litter Busters

Are you new to Bar Hill? Do you feel it looks like a tip at times? Don't blame it on Tesco - they regularly clear their own areas of rubbish.

It is us, Bar Hill residents and our children, who throw the litter down, therefore it is up to us to help clear it up.

If the sight of litter offends you, come and help us spring-clean **your** village.

Each year a few people turn out, but we **really could do with more of you!**

*Dog owners and other walkers - please take a bag with you now and then and pick up a little as you go.

*Don't put your bin bags out too early. Cats and dogs have a whale of a time and the resulting mess blows everywhere.

Please help us, even if you can only spare an hour. Join us on APRIL 13th.

Letters to the Editor

Opinions expressed in this publication are not necessarily those held by the Residents' Association Committee. Alternative viewpoints are always welcome but anonymous letters will not be printed. The Editor reserves the right to withhold names and addresses where appropriate.

Dear Editor,

I am writing to complain about the attitude of certain older residents of this Village. Twice in less than one week I have had accusations concerning acts of vandalism etc. thrown at me by the aforementioned persons. Indeed, friends of mine have also suffered such offensive false accusations.

There is indeed a minor rough element within the younger generation, as there is in all age groups. However, because the young are not fully enfranchised financially and socially in the community, they have become an easy target for blame, whereas those casting blame indiscriminately upon the youth of Bar Hill believe themselves to be beyond reproach, with all the forces of law on 'their side' as well as having social groups and other decent community facilities. Who ever listens to the young?

To re-iterate, one should consider that all social groups have their malefactors, who in the same manner as respectable citizens, set precedent by example. The youth did not invent violence, vandalism and aggression, they are merely taught by their elders (not, unfortunately, necessarily their betters).

As a fourteen year old boy who lives in Bar Hill, I am constantly harangued, rudely and unpleasantly, by the older generation, amongst whom are the complainants.

For example, as a frequent shopper at TESCOs, the impoliteness of 95% of the customers there is intolerable. So how dare you criticise!

Until those in power decide to do something for the youth by way of recreational facilities, what are we to do except to hang around in a "Youth - Unfriendly Village" - on the streets.

Please do bear in mind that we have no Parents and Toddlers, The Fox, Social Club/Village Hall or Happy Hours Club, which just about covers all age groups except the youth.

Yes, there is the Pickled-Parrot, but very few children enjoy religion being forced upon them in the guise of a social club.

To summarise, TOLERANCE is a word to be appreciated and practised by all; young and old.

Yours sincerely

Ben Somers.

Neighbourhood Watch - Hillcrest

Mr D. Bodnick, supported by Mrs Bodnick, took over as local co-ordinator from 3rd February. I am very grateful to them and hope you will all give them your support.

The Residents' Association

The Committee met on Monday 11th March at the school. Several of us have been asked about TESCO's plans for the development of the Mall, so we thought it would be a good idea to invite the manager to our next meeting so he could explain exactly what the present position is. I hope to be able to tell you more in the next Bar Hill News.

The Fête

This will be on **June 29th** and many of the regular attractions have already been booked by Jo Hall. However, we are keen on offering as much variety as possible and wondered if any of you have exciting and original ideas you would like to try out. A couple of ideas were: remote control cars (maybe on the school playground) and rifle shooting! Anyone interested in either of these or with other suggestions should contact Alan Farndale, 36 Chestnut Rise, **780245**. All 'profits' go to the Village organisations that run the stall or activity, or to the Residents' Association to support Village activities. **There is a limited fund available to support Village interest groups. Written appeals to the committee for support are always considered.**

We also want to ensure that we are truly representative of Bar Hill Residents, and hope to prepare a questionnaire for next month's 'News' that will tell us what you want us to do! Please be gentle, we are trying our best!

Nature Reserve

Hi again,

Nights are getting lighter, hopefully the days are getting warmer... Spring is here.

Over at the pond, the newts, frogs and toads are all "doing the business". The frogs, with their earlier start than the toads, have produced their spawn and departed. The toads are like a gang of ruffians compared to the frogs, with all that pushing and shoving to get a mate - I have found toads in the past where, because of all the fighting for her attentions in a big "ball" of toads, she has been dead, but the urge to breed has been so great, they won't let go of her; when they eventually do, she has incredible marks on her body - this is known as "amplexus", the pressure from the male being so great that she will carry these marks for some time. The toads will lay their well-known strings of eggs around underwater plants.

For the newts, it's a more sedate affair; the male will display to the female, then make her a gift of his sperm package, which she will use to fertilise her eggs. The newt being a tailed amphibian, unlike the frogs and toads, produces eggs inside her body. The eggs will then be carefully "glued" onto leaves, which are then folded over to hide them. This will go on for several months, by which time the pond should abound with froglets, toadlets, and newtlets.

The nest-boxes are being "looked into" by prospective residents, and hopefully a lot will be used again this year. The other day I sat on the top bench and was completely surrounded by bird sound. The birds are now starting to find their voices after the recess; it was incredible.

Some help, please, if when you are walking around the reserve you see any litter such as drinks cans, crisp packets and paper, please pick an item up, and take it home with you. It's your reserve, let's keep it CLEAN, ta.

*I've walked the fields for some time now
And seen the seasons come and go,
Hot and dry with Summer sun
Cold with Winter snow.
The months move on, it's getting warmer
Lots more birds are on the wing,
The buds are bursting on the bushes
It seems like this is Spring.*

April Wildlife

Bluebells and woodland flowers

April - early May sees bluebells in all their glory.

The bluebell has long, strap shaped leaves and its flowers are on one side of the stem, with petals forming a bell-shaped flower. Its flowers are sometimes white or pink.

The bluebell grows only in lands fringing the Atlantic, and it doesn't grow in such profusion in any other country as it does in Britain, so the bluebell bonanza is a truly British spectacle. Why not visit one of our woodland nature reserves such as Waresley & Gransden, Hayley, Gamlingay Woods or Brampton Wood?

Other flowers and plants you may see are Wood Anemone, Violet, Oxlip and Primrose.

Special Event Bluebell Open Day

at Waresley & Gransden Woods on 4-5 May with nature trails, quizzes, have-a-go woodland crafts. The guided walks led by the warden, Bryan Righton, are a 'must' as few know so much about these ancient woodlands. The day also offers a chance to see the part of Gransden Woods recently purchased by the Wildlife Trust after a successful appeal. Phone the Wildlife Trust for details.

Saturday 6th April - Walk 'n Weave - Children's event. Help the Milton Watch group create a unique interpretation of Milton Country Park. 2.00 - 3.00 pm. Contact Watch leader Malcolm Busby on 01223 440196

Saturday 20th & Sunday 21st April. Guided walks around Hardwick Wood lead by Jean Benfield. Please book a place with her on 01223 262537

Sunday 21st April. Join the Cottenham local group on a guided walk around Hayley Wood. Meet 2.00 pm at the end of Hayley Lane on the B1046 between Longstowe and Little Gransden (opposite the water tower). Hopefully the bluebells will be out! Contact Peter Pilbeam on 251544 for details.

Happy Hours (Recycled Youth Club)

Club Outings in 1996

A small amendment is necessary to the dates I gave you in the March issue. The 7th July trip should have read 17th July. Sorry!

Charities

As you possibly know, our monthly rafflr receipts go to charities for good causes. During the whole of 1995 we donated £400 to the various groups. So far this year, £29 has gone to the Arthritis and Rheumatism and £30.50 to Guide Dogs for the Blind. Well done you lovely people.

Sick List

Jimmy Platts is certainly getting better and good news about Irene Smith and Stan Whitworth, who are both happily on the road to recovery.

Annual Competitions - These are now in full swing at the club.

Newquay Holiday - 1-5 April

By the time you receive this, those Happy Hours members who booked for this holiday should be away and enjoying themselves. - well, we sincerely hope so.

Not a lot to tell you this month, so let's finish with a couple of old time greats!

"To a Daughter"

*Life is a mystery,
Or so we are told
Born out of love
We die when we're old
You are the daughter
I've loved through the years
Sharing your happiness
Calming your fears
And now that I'm older
Not fit as can be
The care that I gave you
You now give to me
So how did it happen
When did the day come
That I became daughter
and you became Mum?*

Poor Blessed Old Days

*We met and we married a long time ago
We worked for long hours when wages were low
No tv, no wireless, no bath - times were hard,
Just a cold water tap and a walk in the yard
No holidays abroad, no carpets on the floor,
We had coal on the fire, we didn't lock doors.
Our children arrived, no pill in those days,
And we brought them up without siste aid.
They were safe going out to play in the park
And old folks could go for a walk in the dark.
No valium, no drugs, no LSD
We cured most of our ills with a good cup of tea.
No vandals, no muggings; nothing to rob,
We felt we were rich with a couple of bob.
People were happier in those far-off days
Kinder and caring in so many ways.
Milkman and paper boy would whistle and sing
A night at the pictures was all one had as a fling.
We all got our share of troubles and strife
We just had to face it; that's the pattern of life.
Now I'm alone, I look back through the years
I don't think of bad times, the troubles and tears,
I remember the blessings, our hope and our love
And that we shared them together. I thank God
above.*

At the pre-school playgroup we are proud to have 2 rooms. The messy room encourages creative play with activities like painting, cutting out, glue and modelling. This leads to a more educational format with writing and occasional cooking lessons. The playroom is designed to develop the children's imagination through pretend play with a wide range of activity toys/equipment, including a house which can be made into a hospital or even a shop. This equipment also helps to help develop agility and co-ordination, and of course we have lots of books, puzzles and games.

Another facility we have now is our fenced in play area which has been approved by all the relevant bodies. So, when the weather is fine the children will be able to play outside in safety.

Our sessions are run by friendly, trained and experienced staff Heather, Barbara, Jan, Jenny and Janice.

We are open to all children aged 2½ to school age. Our "stepping stone" session start at 2½ and our general sessions are for 3 years to school age.

Application forms are available from Playgroup, the Library or you could contact our administrator Jenny Dedman 782037 before 7pm. Urgent

We need you NOW or the last Bar Hill Toy Library session will be on 19th April!

On average 20 of you regularly attend the Toy Library sessions. You know what a good idea the Toy Library is. We only need 3 more volunteers to join the committee. The only commitment required is for about 20 hours a year (that's less than half an hour a week). We don't need you to come to every Toy Library session, but we would like help to hold our very popular toy sales and our summer PlayDay.

This is a very easy committee to serve on. meetings are held infrequently, only when we need to decide which toys to sell or buy.

The AGM is on Monday 29th April, in the Community Lounge at the School at 8.00 pm. Come along and have a chat with us over a glass of wine.

Under Ones

Babies under one and their mums/dads are welcome at Under Ones on Wednesday mornings. The Church Centre is open from 10 - 12 noon for refreshments and a chance to meet other people with young babies. Expectant mums are also very welcome. We offer changing facilities, a good selection of toys and a well-stocked library on all aspects of pregnancy and baby care. THE GUIDE ASSOCIATION

March began like a lion, in our Guiding circles - 1st Bar Hill Rainbows had an enrolment evening and the same week saw anniversary parties to mark the re-opening of 1st Bar Hill Brownies last year, and 4 years of 2nd Bar Hill Rainbows.

Rainbows, Brownies and Guides all made Mother's Day cards and presents.

The District led the Church Parade Service on 24th March, with all units participating. The Rainbows sang, 1st Brownies played hand chimes, 2nd Brownies read a meditation, 3rd Brownies performed a reading and the Guides acted out a drama, with prayers from the Rainbows and Young Leaders.

The girls will be preparing for Easter with a variety of crafts.

All the Brownies are going swimming in late March/early April.

Places are available for all ages (5 to 60). We are especially interested to hear from an adult to help occasionally at the Friday Rainbow sessions. If you can help please ring the Rainbow Guider, Sue Carpenter 780347 or myself.

WORLD

Well Done Bar Hill School!

Year 6 pupils presented a most enjoyable production of "The Wizard of Oz" at the end of March. It was obvious that a great deal of effort had been made by all those involved, including staff, children and helpers. The costumes and props were imaginatively designed and there was an excellent musical accompaniment. Thank you all for a most entertaining evening.

The 6-a-side football team have also had a very successful season: they reached the semi-finals of their cup competition at Milwall, narrowly missing a trip to Wembley! Congratulations to all those involved.

The Parent and Toddler Group is for children between the ages of 12 months and 3 years. The sessions are held in the Church Centre, where they can come with mum/dad to play and make new friends. In each session there will be painting, messy play, sand, large activity toys, puzzles, books and much more. We also have a singing and action time at the end of each session.

Session times:

Mon - Fri mornings 10-11.30

(Wednesday for 12 - 18 month Toddlers only)

Mon & Tues afternoons 1.30-3.00

To find out more, please contact Carin 789056 before 7 pm. If you would like to visit us you are welcome to call in and have a chat with our supervisors Jo and Mary.

Dear Editor,

Who are the vandals?

I was appalled to hear of the mindless vandalism of pensioners property in the Village: no doubt there are other unfortunate incidents which are not reported.

Obviously we despise the pathetic cowards who destroy and then run away and hide, but similarly those who allow such acts are to blame because they condone the crimes e. g.

A. the parents, or guardians, of the vandals, who should be forced to repay the value of the items damaged.

B. Perhaps more importantly, the government accountants who only understand a balance sheet, the cost of everything and the value of nothing, who have proved that we can not afford a proper police force to protect us or cleaning staff to sweep away shattered glass and rubbish, which now strewn the roads and paths.

I look forward to hearing when Mr. Dixon and our other friend have received proper redress, through the courts or otherwise.
